Oregon Wheat is Moving.

LA GRANDE, Ore., Dec. 30.—It is estimated that an even 100,000 bushels of wheat has changed hands in this county in the past week. Big

growers have been holding for \$1 wheat, that is, \$1 at tidewater, which means 11 or 12 cents less here, and it is reported that the majority sales made during this rush went for 90 cents. Buyers and bankers are led to believe that the cleanup will continue.

The valley's 1915 crop was more than 1,300,000 bushels and little of this was disposed of prior to the present rush. Eliminating home consumption, it is believed 750,000 bushels of wheat has changed hands in this county in the past week.

WHAT THE PENDLETON PICTURE THEATRES HAVE TO TELL YOU ABOUT PRESENT AND COMING PHOTO PLAYS

NOTED ACTOR INSURES FACE FOR \$100,000

William Fox Takes No Chances of An Accident.

William Fox of the Fox Film Corporation took no chances when he had William Farnum insure his face for \$100,000. This is the amount Farnum's contract calls for yearly and Mr. Fox, fearing some misfortune would befall his famous star, had Farnum's face insured for the amount of his salary. Among the many things Mr. Farnum is obliged to forego by the insurance company, holding this policy some of the following may be of interest. He can't hunt, play golf, run his own yacht, ride horseback or do any out-door exercise where he might ruin his face. Mr. Farnum will appear at the Pastime today in "The Broken Law."

Sensational motion pictures have recently come the limit in their realism. Criticisms of the big V. L. S. E. film, "The Nation's Peril" are a criterion. From every corner after the private showings of the picture there has come a volume of wonderful praise, not only from the magnitude of the production, the stupendous of the scenes, the evident utter disregard for expense, but for the timely subject of the hour—preparedness. From its smallest tender to its largest battleship and from its most humble cadet to Secretary Daniels seemingly every man and ship of the United States Atlantic squadron has done his best to make this picture one long to be remembered. See "The Nation's Peril," Pastime Sunday.

TRIANGLE SHOW AT THE TEMPLE TONIGHT

"The Coward" and "Fickle Fatty's Fall."

The program at the Temple tonight is another famous Triangle. "The Coward," featuring Frank Keenan, co-star with Blanche Bates in the "Girl of the Golden West." This is intense, thrilling parts, also the famous Fatty Arbuckle in "Fickle Fatty's Fall," a 2-reel Triangle-Keystone hit. It is the comedy hit of the year. Remember this is Fatty's first picture for over three months and all critics say it is the best one. An 8-reel show you will like.

Don't forget the "Avenging Conscience," the largest and most expensive picture ever shown in Pendleton, acted by the same company that played the "Birth of a Nation." Griffith says it is a better picture than "The Birth of a Nation." It produced them both.

Ethel Belts plays at the Temple one week, starting Sunday, January 2.

GERALDINE FARRAR IN "THE PHOTOPLAY 'CAIMEN'"

The greatest photodramatic production ever seen on the screen will be the attraction at the Alta Theatre on Sunday, January 2nd, when Geraldine Farrar, the celebrated operatic prima donna, will appear in a film version of her famous opera, "Carmen," produced by the Jesse L. Lasky Company.

In securing the appearance of Miss Farrar before the motion picture camera the Lasky company scored the greatest coup in the history of the motion picture industry. This distinguished international artist has held herself aloof from scores of flattering offers to appear before the camera until she was approached by a representative of the Lasky organization.

In "Carmen" Miss Farrar is seen as the half-wild, fascinating gypsy who is the head of a band of smugglers. How she leads one man to death and another to ruin and is herself stabbed by a jealous lover are but incidents in this thrilling five reel picture.

The bull fight scenes were especially staged by a company of torreadors brought from Spain with bulls brought from Mexico. Over 20,000 people took part in the scenes at the arena.

The cast to support Miss Farrar was selected from the most prominent and capable artists in the country. Wallace Reid, one of the most prominent stars in the country, plays Don Jose, Pedro De Cordoba, leading man for Margaret Anglin, is seen as the brooder, William Elmer Anita King, Jeanie Macpherson, H. B. Carpenter and other members of the Lasky all-star stock company are seen in strong roles.

"Carmen" is considered the last word in photodramatic development and will only be seen at the Alta theater Sunday and Monday.
